Utah-based EMS Inovar Selected as Q1 2010 *Charlie's Spotlight* Winner

*Consultant cites Inovar's regional approach as
key to successful customer relationships*

Logan, UT, April 15, 2010: Inovar is pleased to announce it has been selected as Charlie Barnhart & Associates LLC *Charlie's Spotlight*. This accolade is reserved for companies that the consultant firm deems to have developed innovative business practices that make a significant positive contribution to the art and science of electronics manufacturing.

"Inovar provides its customers with regional flexibility as well as Top-Tier capabilities, which gives its OEM customers in the medical, mil/aero and communications end markets a competitive edge," explained Barnhart. "The OEM customers we spoke to find their approach, results in a very high level of flexibility and responsiveness -- very important attributes during challenging economic times."

"We are honored to have been chosen for *Charlie's Spotlight*," said Inovar CEO Blake Kirby. "CBA's *Outsourcing Navigator* research provides valuable objective benchmark data to OEMs and is used by thousands of professionals to analyze their outsourcing spend, and their internal costs to manage their manufacturing. Charlie's work helps the industry make more rational decisions."

ABOUT INOVAR: Inovar is the Premier Electronic Manufacturing Service (EMS) provider in the Rocky Mountain Region. Inovar is dedicated to providing highest quality and most dependable service to highly demanding markets including: Mil/Aerospace, Medical, Communications and Automation markets.

Inovar is AS9100, ITAR, ISO 9001, & ISO 13485 registered, with world class quality and robust process controls. Through its customer-focused business model, we provide our customers with responsive and scalable manufacturing and supply chain solutions. www.inovarEMS.com
